ZeMod Delaware offers both Energy Efficiency Incentives and Down Payment Assistance to ensure the affordability of the homes and help mitigate the cost of energy efficient features of the units. Both forms of assistance are only available for income qualified buyers up to 120% Area Median Income (AMI).

ZeMod Energy Efficiency Incentive - ZeMod Delaware offers homeowners Energy Efficient Incentive funding to buy down incremental cost of energy efficiency features. Incentive amount: \$16,500 per home. Income limit is 120% Area Median Income (AMI).

Down Payment Assistance - Down Payment Assistance is available to eligible households in the amount of up to \$25,000. The amount of assistance will vary per household due to unit cost and income of the buyer. This assistance can be used to cover down payment and is offered at a 0% interest rate. No monthly payments - loan is repaid upon sale, refinance, or transfer of home.
